RELAND REAL ESTATE

PROJECT BROCHURE

Every Reland project is planned around daylight, green space and honest materials, so it stays a good place to live and a sound investment for many years.

WHAT EVERY HOME INCLUDES

- Open living areas with large windows and wide, bright balconies
- Kitchens with stone worktops, soft-close cabinets and built-in appliances
- Engineered oak floors, double glazing and quiet, well insulated walls
- Fibre internet and smart home controls for lights, heating and locks

SHARED SPACES

- Landscaped gardens, children's play areas and quiet reading corners
- Fitness room, community hall and rooftop terraces in most buildings
- Secure parking with charging points for electric cars and bicycles

SAFETY AND CARE

- Staffed entrance, camera surveillance and a modern fire safety system
- On-site management team, with repairs answered day and night
- Ten year structural warranty on every building we complete

VISIT US

Book a visit to see the show apartment, walk the site and talk through floor plans and prices with our sales team. Call +1 (555) 012 3456 or write to sales@reland.com.

Pictures and plans are for illustration. Sizes, finishes and prices may change; ask our team for the latest details.
